

Please help our young men that are on the sex offender list. The ones that have yta should be taken off the list. When teenagers make mistakes they should not be put on there with pedafiles. Their life is terrible when they are on the list, my son was doing so good at mcdonalds, when they found out he was on the list he was fired. Mcdonalds, wanted him to be manager of a store, going to college is terrible, finding a apartment, job everyone thinks you are so bad when they don't know the story. Please help these young people, we should be able to know the difference between and pedafile and two kids that got in trouble. Thanks Liz Pish
